CITY OF TUSCALOOSA PUBLIC WORKS CONTRACT DOCUMENTS

**SECTION ONE
ADVERTISEMENT AND NOTICE FOR BIDS
(2017)**

Sealed bids will be received by the City of Tuscaloosa, Alabama, a Municipal Corporation, in the Council Chamber in the City Hall, 2201 University Boulevard, on the 20th day of April, 20 17, until 2:00, p.m., o'clock, local time, and then publicly opened and read for the furnishing of all labor and material (where required) and equipment for performing a public works project according to the plans, details, specifications and Contract Documents.

Award of the contract will be made within forty-five (45) calendar days from the date of the bid opening.

1. The Project:

A. The Project shall be known as Runway 4 Extended Runway Safety Area Grading Improvements and the general character of said public works project shall consist of the following:

Reshaping approximately 18 acres of land beyond the southwest end of Runway 4 to generally raise the grades of that area and to introduce a crown along the center of the extended runway safety area and extended runway object free area for the improvement of storm water surface drainage, to create a safer and more easily maintained safety zone in compliance with FAA surface gradient criteria.

B. The approximate quantities of said Project are as follows: Stripping and replacing approximately 8,000 cubic yards of topsoil; cutting approximately 12,000 cubic yards of on-site soils and importing approximately 52,750 cubic yards of fill materials from off-site for the embankment of approximately 64,750 cubic yards of earth; approximately 0.5 mile of silt fence and other related erosion prevention and sediment control measures; removal and replacement of approximately 0.4 mile of gravel and paved one-lane access roads; removal and replacement of approximately 0.5 mile of temporary and permanent perimeter security fence and associated gates; and seeding and mulching for the reestablishment of turf on approximately 18 acres of disturbed area.

C. Special instructions are as follows: The project will be coordinated with a concurrent project for the removal and replacement of the Runway 4 Medium-intensity Approach Light System with Runway alignment indicator lights (MALSR), by others. After an initial phase to secure the project perimeter and establish a perimeter road around the site, the grading project will include a 2-week break while a separate FAA contractor demolishes the existing MALSR system. After demolition of the MALSR by others, the grading contract will continue to completion. After completion of this grading contract, the MALSR replacement will commence, by others.

D. The City will furnish the following: Access to the site and a reserved area for contractor's staging and storage of material and equipment within the airfield's perimeter security fence.

E. Time of Construction: From the date stated in the Notice to Proceed, the Project time of construction is 75 consecutive calendar days, exclusive of a 15-day break when time will not be counted, during which the contractor may elect to pursue such work on the site as may be able to be accomplished while allowing free access to the FAA's contractor for the demolition of the MALSR system elements that lie within the grading project limits.

2. Plans and Specifications:

Plans and specifications and all related Contract Documents are open for public inspection at the office of the City Airport Manager, located at 7601 Robert Cardinal Airport Road, Tuscaloosa, Alabama, 35401 and plans, specifications and other elements of the contract documents may be obtained from the office of the Engineer/Architect Atkins North America, Inc., _____ designated as the office of the awarding authority for this purpose, located at _____ 404 BNA Drive, Suite 600 Nashville, Tennessee. The contact person for the project is C. Darren Duckworth, P.E. They can be reached at (615) 399-0298 and via email at darren.duckworth@atkinsglobal.com.

- A. Plans, specifications and Contract Documents may be obtained at the above location upon the deposit of \$ 150.00, which amount does not exceed twice the cost of printing, reproduction, handling and distribution of each set of such documents. Deposits by prime Contractor bidders are refundable in full upon return of all documents in reusable condition within ten (10) days of bid opening. Additional sets of bid documents for prime Contractor bidders, subcontractors, vendors or dealers may be obtained upon payment of the same deposit. Such deposits will be refunded, less the cost of printing, reproduction, handling and distribution, if all the documents are returned in reusable condition within ten (10) days of bid opening. Alternatively, an electronic copy of the files in PDF format may be obtained from the Architect/Engineer for no charge, with the bidder free to print the documents at their own cost.
- B. All eligible refunds of deposits for plans and specifications will be made by the City within twenty (20) days of bid opening.

3. Qualification of Bidders:

- A. All bidders must be responsible, meeting the criteria and requirements set forth in the Instructions to Bidders and bid proposal.
- B. Prequalification of Bidders IS _____; IS NOT X required.
If prequalification of bidders is indicated to be required by the preceding sentence, then written prequalification information is available for review at the same office where plans, specifications and Contract Documents are available.
- C. The attention of all bidders is called to the provisions of State law governing "general Contractors," as set forth in Ala. Code §34-8-1, et seq. (1975), and rules and regulations promulgated pursuant thereto.
