I, \_\_\_\_\_, do solemnly swear or affirm as follows:

As a direct residential customer of the City of Tuscaloosa Water and Sewer System, I hereby petition the City of Tuscaloosa Water and Sewer Department, for equitable relief from an "extraordinary" water bill(s) at:

Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_

Zip: \_\_\_\_\_

After I have read Ordinance 2754 Section 16-123 of the City of Tuscaloosa and I fully understand and certify under oath that:

- (1) The "extraordinary" bill(s) for water consumption charged to the petitioner is the direct and proximate result of water loss due to a breakage or leak in the petitioner's waterline attribute to the petitioner's officers, agents, employees or contractors.
- (2) Such breakage or leak has been repaired and there is no further loss or wastage of water. A written statement of a licensed plumber or other written evidence to support his statement is attached to this petition.
- (3) Such water "loss" to the extent that no person, firm or corporation, either with or without petitioner's permission, utilized the water which passed through petitioner's meter in excess of the normal average monthly volume consumption for the preceding 12 months herein defined.

I also certify there has been no previous adjustment on behalf of the petitioners or at the same location with the preceding 24 months. I further certify that all requirements that are set forth

***City Of Tuscaloosa***  
**Water Works and Sewer Department**

in Ordinance 2754, Section 16-123 of the City of Tuscaloosa has been met. And I do hereby petition the General Manager of the Water and Sewer Department and the City Council to consider my request. I understand that the final decision would be made by the General Manager of the Water Department and/or the City Council and their decision would be final in this case.

**STATEMENT OF OFFICE MANAGER**

The bill(s) for which relief is requested is:

- (1) For consumption in a volume amount not less than three (3) times the average monthly consumption at that location for the preceding 12 months; and
- (2) At least 1500 cubic feet in excess of the average monthly volume consumption at that location for the preceding 12 months; and
- (3) For water which passed through an approved City of Tuscaloosa Water and Sewer Department metering device of one (1) inch or less.
- (4) The amount of excess water by volume of consumption does not exceed twenty thousand (20,000) CF (cubic feet) for one inch meter or less. Provided, however, that no adjustment will be made for nonresidential water or for more than three (3) months of excess consumption.
